Your Volunteer Interests:

- ☐ **FOOD PANTRY:** Selecting & packing orders for neighbors. Light lifting and mobility are required. You will be on your feet while serving and working in a group/team setting.
- ☐ **FOOD PICK UP:** You will travel around the New River Valley to various business partners who provide food to Agape NRV. You pick up the food and bring it to our location. Use of your personal vehicle is required. Lifting boxes of food (up to 40 lbs.) is also required.
- ☐ **CLOTHING BANK:** This role has flexibility and can involve sorting and displaying clothing and/or can involve working while our neighbors shop their options.
- ☐ **ADMINISTRATIVE:** Our admin team greets our neighbors as they arrive and ensures processes are followed from check in, to connecting neighbors with mentors, and filing the paperwork. This role involves teamwork and neighbor-facing interactions. Much of this work is completed from a sitting position and minimal walking is required.
- ☐ **WORK PROJECTS:** These needs are often accomplished through a church or business group. From painting to shelf installation, simple renovations to cleaning projects.
- ☐ **MENTORSHIP:** This role requires an interview, extra training and side-by-side learning with our mentorship team. These volunteers support neighbors in a 1-1 capacity while they are visiting the Agape Center. It requires great listening skills, a faith foundation & strong relationship building skills.
